# My Light

## Greg Adams

It happens every time I close my eyes
I wonder if youâ€™re dreaming of me tonight
Since youâ€™ve moved away it hasnâ€™t been the same
My world has changed
Iâ€™m waiting for your call
To tell me youâ€™ll be back down my way

You are my light
Reflecting off my soul I can feel your warmth inside
You are my light
Reflecting off my soul and it makes me feel alright

Take me by the hand and stay a while
Thereâ€™s room enough for two so donâ€™t be shy
Well thatâ€™s fine
I donâ€™t know what to say
To make you feel the way that I do
Cause once you turn around
Youâ€™re never coming back down my way

You are my light
Reflecting off my soul I can feel your warmth inside
You are my light
Reflecting off my soul and it makes me feel alright

The wind and the rain canâ€™t stop my love for you
We can dance all day till the sun breaks through

You are my light
Reflecting off my soul I can feel your warmth inside
You are my light
Reflecting off my soul and it makes me feel alright

You are my Light
