Mary Had A Little Boy - vs. Milky & 2NF

Snap!

Oh oh oh oh, Mary, MaryMary had a little boy
But little did she know
That everywhere that Mary went
The little boy was sure to goMary, a girl at a party
Pretty face, fantasy body
On the strength, girl was fine
Mission, make her mineSo I stepped to her shyly
Before I could speak she walked right by me
Frozen, lost my cool
Out of the groove, what's my next moveShould I chill, should I follow?
Heart is pounding, I feel hollow
Paused, thought for a minute
If she was a pool I'd jump right in itSo in her path I did step
Nervous but I still had pep
It didn't matter where she went to
I would be there tooMary had a little boy
Little did she know
That everywhere that Mary went
The little boy was sure to goSaw her at the mall
Stand tall, courage don't fall
To her smoothly I approached
Tried to speak and almost chokedAbnormal for the ruthless chiller
Normally I'm a ladies killer
Why were my nerves shaky
I knew she'd make me and not break meHere she comes, should I talk to her now?
Yes, it's now or neverMary had a little boy
But little did she know
That everywhere that Mary went
The little boy was sure to goMary had a little boy
But little did she know, oh Mary, Mary
That everywhere that Mary went
The little boy was sure to go, oh Mary, MaryOh, Mary
Oh, MaryHello Mary, how's your day?
Hope it's going in the right way
How about dinner and some dancing?
Later on some romancingMusic, we could talk
And express our inner thoughts
How about it, what do you think?
Ended statement with a winkMary had a little boy

But little did she know
That everywhere that Mary went
The little boy was sure to goMary had a little boy
But little did she know
That everywhere that Mary went
The little boy was sure to goMary had a little boy
But little did she know, oh Mary, Mary
That everywhere that Mary went
The little boy was sure to go, oh Mary, Mary
