

Mary Had A Little Boy - vs. Milky & 2NF

Snap!

Oh oh oh oh, Mary, Mary Mary had a little boy
But little did she know
That everywhere that Mary went
The little boy was sure to go Mary, a girl at a party
Pretty face, fantasy body
On the strength, girl was fine
Mission, make her mine So I stepped to her shyly
Before I could speak she walked right by me
Frozen, lost my cool
Out of the groove, what's my next move Should I chill, should I follow?
Heart is pounding, I feel hollow
Paused, thought for a minute
If she was a pool I'd jump right in it So in her path I did step
Nervous but I still had pep
It didn't matter where she went to
I would be there too Mary had a little boy
Little did she know
That everywhere that Mary went
The little boy was sure to go Saw her at the mall
Stand tall, courage don't fall
To her smoothly I approached
Tried to speak and almost choked Abnormal for the ruthless chiller
Normally I'm a ladies killer
Why were my nerves shaky
I knew she'd make me and not break me Here she comes, should I talk to her now?
Yes, it's now or never Mary had a little boy
But little did she know
That everywhere that Mary went
The little boy was sure to go Mary had a little boy
But little did she know, oh Mary, Mary
That everywhere that Mary went
The little boy was sure to go, oh Mary, Mary Oh, Mary
Oh, Mary Hello Mary, how's your day?
Hope it's going in the right way
How about dinner and some dancing?
Later on some romancing Music, we could talk
And express our inner thoughts
How about it, what do you think?
Ended statement with a wink Mary had a little boy

But little did she know
That everywhere that Mary went
The little boy was sure to go Mary had a little boy
But little did she know
That everywhere that Mary went
The little boy was sure to go Mary had a little boy
But little did she know, oh Mary, Mary
That everywhere that Mary went
The little boy was sure to go, oh Mary, Mary
