

# Psychic Caramel

## Nada Surf

Take a look at what's been done  
The killing wound is the thousandth cut  
A dead turtle on the beach  
Who puts my happiness out of reach  
Sea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self  
Sea, sun, sand  
Psychic caramel dimulants  
They're good for the undertow  
Better than a psychotic stimulant  
Word to your mother you know  
But it's a drag you know sometimes  
It's a drag you know sometimes  
And it drags  
It drags  
Sea, sun, sand, self  
Sea, sun, sand  
We will always be the sea  
Years will be I, you will see  
Now I finally understand  
The Mother's belly is here with me  
Sea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self  
Sea, sun, sand  
Going deaf and peaceful  
I'm going for a walk  
The times I have the most to say  
Are the times that I can't talk  
Psychic caramel dimulants  
They're good for the undertow  
Better than a psychotic stimulant  
Word to your mother you know  
But it's a drag you know sometimes  
It's a drag you know sometimes  
And it drags  
It drags  
Sea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self

Sea, sun, sandSea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self  
Sea, sun, sandSea, sun, sand, self  
Sea, sun, sand  
Sea, sun, sand, self  
Sea, sun, sand
