At The Same Time

I Am Jen

Is it possible, to beleee-ive what I'm seeing,
if it's possible, then I think I just met an angel.
Am I dreaming, or are you looking for me,
Is this possible, I've been looking for you, too.

Oooooh, at the same time .....

Is it possible, that you're thinking what I'm thinking (at the same time)?
It is possible, we are falling out of contro-ol (at the same time).
Am I dreaming, or am I coming home (at the same time)?
If it's possible, then I think this might be forever.

Oooooh, at the same time .....
Oooooh, at the same time .....

Is it possible that we began to unravel (at the same time)?
Is it possible, that forever has an end?

Oooooh, at the same time .....
Oooooh, at the same time .....

It is possible that you never were my angel . . . .
I stopped dreaming (at the same time),
now I'm never coming home.

Oooooh, at the same time ..... (never coming home),
Oooooh, at the same time ..... (never coming home).
Never coming home . . . .
