

Run 4 Cover

Basement Jaxx

Advisory - the following lyrics contain explicit language:

Uh, uh, uh, uh, look at him, look at him
That geezer, that geezer, what geezer? That geezer
You see him, he's so dusty, he's a M I N G E R
Minger, minger, minger, minger, minger, minger, mingerRun 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you better
Run 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you betterSlut, slut, get outta my way
Get back to the back of the queue
'Cos you're butters and blow
Can't have my number, so leave me alone'Cos you're wasted, wasted, wasted
Need a face lift
Pushing them, pushing them mans to the side
Pushing them, pushing them mans to the sideRun 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you better
Run 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you betterSo you think you may have a chance one day
But no way, no way
'Cos you're not my type and I don't like you, right
So go away, just go awayWow, just seen me a guy
That's so perfect, knows how to work it
He's got that charm, he took my arm
Whispered in my ear things I long to hearUh, uh, me must be tipsy
How could me think that boy was sexy?
Turns out, turns out he was the minger
I was so shocked, nearly turned into 'Thriller'In such a rage, in such a rage
Me had to tell that minger to move from me face
But he never listen, still onna me case
Onna me case, in de placeRun 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you better
Run 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you betterFollow, follow, follow, everywhere that me went
Though me try hide, boy, pick up me scent

Run 4 cover, a so me try
But this boy was too quick, too, too sly
Appearing, shouting in my earring
Nearly lost my hearing
From his breath, oh, my, oh, my
It nearly choked me to death
His breath 'cos it was so stank
And I cannot deny it, had to tell him it stank
I'm sorry Frank but we will never be
So can you please stop pestering me?
When you see dem minging boys you better
Run 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you better
Run 4 cover, run 4 cover, run 4 cover
When you see dem minging boys you better
Galling galloing long about your business
'Cos we don't wanna know 'cos you're ugly like so
Galling galloing long about your business
'Cos we don't wanna know 'cos you're ugly like so
You're too galling galloing long
You're too galling galloing long about your business
'Cos we don't wanna know 'cos you're ugly like so
This is for all you mans that think you're buff
Well, you're not buff, you're just rough
