

I Remember

Lil Boosie

I remember nigga

Boosie Bad Azz

I remember nigga

I remember nigga

Now I remember everythin' from them cold night on the block

I remember the struggle, I remember the shine

I remember they faces when they saw me shine

Nigga I remember everythin', I remember nigga

Outside with no shirt, I remember nigga

Talked loud in that church, I remember nigga

Nigga stole all my work, I remember nigga

Kirby took my lick in court, I remember nigga

Them plantation days, do you remember that?

The good times that we had in big digem lac

Do you remember Debra Proch when it was hot and steamin'?

Do you remember when we moved shop down there by leman?

Do you remember at the room hoes caughtin' semen?

Do you remember I busted two with the green eye demon?

Yeah, nigga I remember cross the tracks

When Capt. Ricks and Kenny Wayne had a gang of that crack

Mane, I remember all that when E-40 was jammin'

Everybody play B's and D's listenin' to that Dayton family

I remember Daddy-O when he put me on syrup

Remember Junior was fourteen workin' with a quarter bird nigga

Them long nights on the block, I remember nigga

Went from a little to a lot, I remember nigga

And in this world with no dreams, I remember nigga

Gone off X and codeine, I remember nigga

Them long nights on the block, I remember nigga

Went from a little to a lot, I remember nigga

And in this world with no dreams, I remember nigga

Gone off X and codeine, I remember nigga

When daddy left this world, I remember nigga

That nights I made them lil' girls, I remember nigga

Grandpa preachin' at church, I remember nigga

Grucen gave me my first work, I remember nigga

Me and Big Chris on the block, I remember nigga

Walk in the school with a knot, I remember nigga

Remember nobody ain't like us, I remember nigga

When I set it off with Titus, I remember nigga
Seventeen I was a donkey, killin' my own people
Servin' my own uncles, gave life to Ttrell, I remember nigga
When he touch down I caused hell, I remember nigga
My first fifty block of weed, I remember nigga
I remember nineteen, I remember nigga
When I first meet Tee and Mel, I remember nigga
When y'all got me out of jail, I remember nigga
Yeah, I remember nigga
Them long nights on the block, I remember nigga
Went from a little to a lot, I remember nigga
And in this world with no dreams, I remember nigga
Gone off X and codeine, I remember nigga
Them long nights on the block, I remember nigga
Went from a little to a lot, I remember nigga
And in this world with no dreams, I remember nigga
Gone off X and codeine, I remember nigga
First time I rode clean, I remember nigga
Got my heart broke at fourteen, I remember nigga
Remember the first nigga I robbed, I remember
I remember them tears cried, I remember they killed I
I remember them pills I used to pop that had a nigga frenzy
Same niggas I used to pop with now they envy
Cousins frenzy I'm on some flossed out shit
I go to Emmy when I wanna floss my wrist
Remember daddy used to hit momma when times was hard
But it never showed on her boys 'cause her boys was spoiled, nigga
Remember my beamer, my magnum and my forty five
Remember my silver STS with the fresh ties
My old school Monte Carlo nigga, candy black
Remember my Ram Truck, my old school Cadillac
Remember my Benz that was black but I wet it silver
Remember my orange and black race car with them, dance nigga
I remember everythin', I remember
I remember nigga
I remember everythin', I remember
I remember nigga
I remember everythin', I remember
I remember nigga
I remember everythin', I remember
I remember nigga
Like it was yesterday
