Albatross

Sekten

One last cup of starlight
Before I wake and start my day
A past so filled with promise
Before I lost, I lost my way

Ah thatâ€™s ok, and Iâ€™m alright
I guess Iâ€™ll be lost again
For one more night
Ooh and thatâ€™s alright, Iâ€™m ok
I'll wear the albatross
For one more day

[Solo]

As the past recalls the romance
Before the bets and what you make
I lost my friend in between them
And that was more than I could take

Ah thatâ€™s ok, and Iâ€™m alright
I guess Iâ€™ll be lost again
For one more night
Ooh and thatâ€™s alright, Iâ€™m ok
I'll wear the albatross
For one more day

[Solo]

Ah thatâ€™s ok, and Iâ€™m alright
I guess Iâ€™ll be lost again
For one more night
Ooh and thatâ€™s alright, Iâ€™m ok
I'll wear the albatross
For one more day
I'll wear the albatross
For one more day
I'll wear the albatross
For one more day

And because I know I'm alright
