

Lantern

[Tanya Donelly](#)

Come on what's your name
I've got a good game
I've got a story
Hope you like 'em gory
And it's much too late for bedCome on tiger
Why so tired
I've got good game
Plus I'll let you win again
And it's much too late for bed
Yeah, it's much too late for bedSo shi-shine on me
Shi-shine on me
I crave your company
And fall in the dark so be my lantern
(Be my lantern)Come on tiger
Why so tired
Come on what's your name
I've got a good game
I've got a story
Plus I'll let you win again
Ooh yeah
Yeah, it's much too late for bedBe my lanternNever have I seen that face on one so youngSo shi-shine on me
Shi-shine on me
Shi-shine on me
Shi-shine on me
I crave your company
I crave your company
And fall in the dark so by my lantern
(Be my lantern)
