

Don't Go

The Gospel Time Band

There's a road that's dark ad lonesome
and once you're gone there is no return
There's still forgiveness and redemption
but there is consequence and hard lessons learned

Yes God can pick up the broken pieces
of shattered lives layin on the ground
And God will mend them so the pain eases
but scars will still remain from where you've fallen down

Chorus

Don't go, Don't go
Don't go down that long lonesome road
Don't go, Don't go
If you take taht road you're goin it alone

Break

Chorus

God is able and he is willing
to overcome where we have failed
Just call upon the name of Jesus
and you'll see two sets of footprints on your trail

Cause he will walk beside you
and lead to pastures that are green
But even with this healin
some scars will always be seen

Chorus to end
