The King for a 1000 Years

Helloween

Forgotten in his reich from shadows

Banned forever, one thought

The Lord of Evil was given name and place

Of the seventh sea, shelter of the seventh key

Who was betraying us? I guess you know

There would be more than one name to nameNow he, whose name is many, searches for the one

The one strong enough to survive as his terrestial hand

Enticement and promise will crown a king

A puppet on a string for a 1000 years

So they singWouldn't it be nice to plunder with your eyes

Whatever there's for you to see is yours to be

Let me be there just tell me you don't care

Just say you pay me afterlife however high the priceI know your secrets

I know it allI know your secrets

I see the hidden without light

I am your sickness

Bitting you right behind your eyesDon't try to kill me

I cannot die a death you know

You and I will be

Heaven above and hell belowBrother, believe me

Father, conceive me

Brother, believe me

Perceive meTime will be a turning wheel, we shove or retard

Time will be a toy, time we will enjoy

Say you want to live forever, minus one day

Say you will obey and II will show, I will show

I will show your Reich of gold

And I will show, I will show

I will show you friend and foeWouldn't it be nice

To reign and to decide

Whatever there's attracting you

Will give its due to youLet me be there

Just say you want to share

A power no one will withstand

Just be my human handI know your secrets

I know it allI will show, I will show

I will show you Reich of gold

And I will show, I will show

I will show you friend and foeNo believers, all deceivers

No illusion, executions Alienation, elimination

Chaos, no exonerationNo believers, all deceivers

No illusion, executionsWe are king for a 1000 years

We are king of a million tears

We're the ones who bring desire

Binding their greed and fearsWe are king of fallen men

We are keepers of the damned

Turning hope into obsession

We are the king

We are the king for a 1000 yearsAges of fire

Aeon of darkness, fear and hate

Wake up my creatures

Stand up you bringer of man's fateNo one can kill us

We cannot die, a death one knows

Mankind is sleeping

My victory near, their end so closeI know your secrets

I know it allGoodbye sorrows

Borrow me your hand to turn the key

Release me, believe meGoodbye sorrows

Never more you have to fear futurity

OhhGoodbye sorrows

Borrow me your hand to turn the key

Conceive meTime will be a turning wheel, we shove or retard

Time will be a toy, time we will enjoy

Say you want to live forever, minus one day

Say you will obey and II will show, I will show

I will show your Reich of gold

And I will show, I will show

I will show you friend and foeWe are king for a 1000 years

We are king of a million tears

We're the ones who bring desire

Binding their greed and fearsWe are king of fallen men

We are keepers of the damned

Turning hope into obsession

We are the king, we are the kingThe king for a 1000 years, ohh

The king for a 1000 years, ohh
