

Get You Home

Nick Fradiani

Oh, oh, oh, oh What's your name? California's got me riding your wave
Got me riding, riding your wave, yeah
Rendezvous, body language got me talking to you
Girl, I'm talking, talking to you, yeah Devil in her eyes, guess I'm a sinner
'Cause I can't deny, I'm high When I get you home, show me how to love you
When I get you, when I get you home
You are in control, oh, teach me how to touch you
When I get you
When I get you, when I get you home If you want it (oh), you got it (oh)
If you want it, baby, you got it
If you want it (oh), you got it
When I get you
When I get you, when I get you You're a ten, amen, like Sophia Loren
Talkin' crÃme de la crÃme de la crÃme (oh)
And I confess I'm a student of what's under that dress
Let's get you out of, out of that dress (oh, ooh) Devil in her eyes, guess I'm a sinner
'Cause I can't deny, I'm high (high) When I get you home, show me how to love you
When I get you, when I get you home (when I get you home)
You are in control, oh, teach me how to touch you
When I get you
When I get you (when I get you), when I get you home If you want it (oh), you got it (oh)
If you want it, baby, you got it
If you want it (if you want it), you got it
When I get you
When I get you (when I get you), when I get you home Home is where your body is (is where your body is)
'Cause when your body's on my body, ain't no stoppin' it, no
Home is where your body is (is where your body is)
Sing it, when I get you home, when I When I get you home, show me how to love you (show me how to love,
girl)
When I get you, when I get you home (when I get you home)
You are in control, oh, teach me how to touch you
When I get you
When I get you (when I get you), when I get you home If you want it (if you want it), you got it (you got it)
If you want it, baby, you got it (yeah)
If you want it (if you want), you got it (baby, you got it)
When I get you (girl, if you want it)
When I get you home
