Say Goodbye (I Won't Even)

Adaline

You and I together, we play games to get along
Jilted by forever, wide-eyed beauty far gone
But you're not there, and I don't even care

I won't even say goodbye
No, I won't even say goodbye
No, I won't even say goodbye
Oh no, no, no, no

Stepping on each other, you dream I have a different face
Defeated by my cover, different legs stand in my place
But you still stare, and I don't even care

I won't even say goodbye
No, I won't even say goodbye
No, I won't even say goodbye
Oh no, no, no, no, no, no...

I won't even say goodbye
No, I won't even say goodbye
No, I won't even say goodbye
Oh no, no, no, no
