Trade It All

Earnest Pugh

Give me diamonds
Give me pearls
Give me fame
and I will trade it all for you

You can write me alot of songs
and give me awards
But it really wouldn't matter because
I would trade it all for you

I'll trade it (3)
I'll would trade it all for you

(Repeat)

Though I drive a fancy car
And live in a nice home
those are material things
I would trade it all for you

You can give me a lot of money
cattle on a thousand hills
you can give me the world
but i would trade it all for you....

I'll trade it (x2)
yes i would
I'll trade it
i would trade it all for you

Background: repeat I'll trade it

Silver and gold
Riches untold
I would I would trade it all for you

Fortune and Fame
They must bow to your name
I would trade it all for you

I refuse the gain the whole wide world
And turn around an lose my soul

I would trade it all for you.....
I would trade it all for you!
I will trade it all for you.
