Baby Get Down

Raven Bishop

Baby get down on your knees.
Baby I'm getting down.
Show me sugary wet dreams,
as I lay in your arms.
There's no point in stopping.
We're gonna have fun in the sun.
Not stopping till we get it done.
'Cause baby you're the man.CHORUS
Baby get down on your knees.
Baby I'm getting down.
Tell me sugary wet dreams.
As I lay in your arms.We're gonna get it all done.
Baby get down on your knees.
There's a sweet rush.
There's no chance of that guy.Baby get down on your knees.
Baby get down on your knees.
Baby get down on your knees.Baby get down on your knees.
Baby I'm getting down.
Tell me sugary wet dreams.
As I lay in your arms.CHORUS
Baby get down on your knees.
Baby I'm getting down.
Tell me sugary wet dreams,
as I lay in your arms.
Baby get down on your arms.
Baby I'm getting down.
Tell me sugary wet dreams.
As I lay in your arms.
Baby get down on your knees.
Baby get down.
