Save Me from Me (Acoustic Version)

Amber Pacific

If you only knew the pain
The pain I keep inside
The pain that makes me "me"
Then without it who am I
In a room with broken walls
I lay in scene and dreams
I want you to seeI'm cold and white
I'm holding on
I'll try to breathe for you
I'm crying out
I'm singing loud
You could be all I needAnd I'm losing my will
Just to hold you in
I'm giving up the hope
That you could have been the one
To save me from me
And now our lips will meet
and i'll taste their defeat
I'll give in this onceI'm cold and white
I'm holding on
I'll try to breath for you
I'm crying out
I'm singing loud
You could be all I needStill I know I'll carry on
Guide me through the life I lost
To find these faults in me
To find these faults in meI'm cold and white
I'm holding on
I'll try to breath for you
I'm crying out
I'm singing loud
You could be all I needI'm cold and white
I'm holding on
I'll try to breath for you
I'm crying out
I'm singing loud
You could be all I needTo save me from me.
