[unknown]

Floetry, uh huh
It's floetic, uh, it's floetic
Uh, it's floetic, uh, it's floetic
Uh, it's floetic, yo
Floetry
(We're)

We gonna mess now, say we just groove
I step on one, you step on two
(Two)
Now when we move, we're feelin' the vibe right
Said if we move we're makin' a vibe right
And if it's day, or if it is night, we're feelin' alright
Say we be alright alright, what
Oh, you let your body move, feelin' it inside you you, ooh
(Inside you)
Let your body move I said now
(One more time say)
You let your body move feelin' it inside you you, ooh
('Cause, we)
We can get it in that's what's up

Floetry
