

Go Where You Wanna Go

The Mamas & the Papas

You gotta go where you wanna go
And do what you wanna do
With whoever you wanna do it with
You gotta go where you wanna go
And do what you wanna do
With whoever you wanna do it with You don't understand
That a girl like me can love just one man
Three thousand miles, that's how far you go
And you said to me, "Please, don't follow" Cause you gotta go where you wanna go
And do what you wanna do
With whoever you wanna do it with
Babe, you gotta go where you wanna go
And do what you wanna do
With whoever you wanna do it with You don't understand
That a girl like me can love just one man
You've been gone a week and I tried so hard
Not to be the crying kind
Not to be the girl you left behind You gotta go where you wanna go
And do, do what you wanna do
With whoever you wanna do it with
Babe you gotta go, go where you want
And do, do what you want Babe you gotta go, go where you want
And do, do what you want
Babe you gotta go, go where you want
And do, do what you want
You gotta go, go where you want
And do, do what you want
