

# Anne Marie

## Emery

You say that you don't need me anymore  
Well that's just fine  
You headed for the door  
And you won't hear me cryin' anymore  
My Anne Marie Anne Marie  
You're leaving me  
Anne Marie  
You're leaving me  
And I don't think you're coming back this time  
Anne Marie you're leaving me  
And I don't think that you can see  
That I'm the man for the rest of your life You know it's not so hard to let you go  
Remember the time at Christmas '99  
When we had a snowball fight and you won  
My Anne Marie Anne Marie  
You're leaving me  
Anne Marie  
You're leaving me  
And I don't think you're coming back this time  
Anne Marie  
You're leaving me  
And I don't think that you can see  
That I'm the man for the rest of your life
