

Rainbow Eyes

BeerBong

She's been gone since yesterday

 Oh I didn't care

 Never cared for yesterdays

 Fancies in the air

 No sighs or mysteries

 She lay golden in the sun

 No broken harmonies

 But I've lost my way

 She had rainbow eyes

 Rainbow eyes

 Rainbow eyes

 Love should be a simple blend

 A whispering on the shore

 No clever words you can't defend

 They lead to never more

 No sighs or mysteries

 She lay golden in the sun

 No broken harmonies

 But I've lost my way

 She had rainbow eyes

 Rainbow eyes

 Rainbow eyes

 Summer nights are colder now

 They've taken down the fair

 And all the lights have died somehow

 Or were they ever there

 No sighs or mysteries

 She lay golden in the sun

 No broken harmonies

 But I've lost my way

 She had rainbow eyes

 Uuuuh, uuh
