

Christian Woman

Type O Negative

Advisory - the following lyrics contain explicit language:

{Forgive her
For she knows not what she does} A cross upon her bedroom wall
From grace she will fall
An image burning in her mind
And between her thighs A dying God Man full of pain
When will you come again ?
Before him beg to serve or please
On your back or knees
There's no forgiveness for her sins
Prefers punishment
Would you suffer eternally
Or internally ? For her lust she'll burn in hell
Her soul done medium well
All through mass manual stimulation
