

You're Gonna Miss This

[Trace Adkins](#)

She was starin' out the window of their SUV
Complainin', sayin', I can't wait to turn eighteen
She said, I'll make my own money and I'll make my own rules
Momma, put the car in park out there in front of the school
And she kissed her head, and said, I was just like you You're gonna miss this
You're gonna want this back
You're gonna wish these days
Hadn't gone by so fast These are some good times
So take a good look around
You may not know it now
But you're gonna miss this Before she knows it she's a brand new bride
In her one bedroom apartment and her daddy stops by
He tells her it's a nice place, she says, It'll do for now
Starts talkin' about babies and buyin' a house
Daddy shakes his head and says, Baby, just slow down Cuz' you're gonna miss this
You're gonna want this back
You're gonna wish these days
Hadn't gone by so fast These are some good times
So take a good look around
You may not know it now
But you're gonna miss this Five years later there's a plumber
Workin' on the water heater
Dog's barkin', phone's ringin'
One kid's cryin' and one kid's screamin'
And she keeps apologizin' He says, They don't bother me
I've got two babies of my own
One's thirty-six, one's twenty-three
Huh, it's hard to believe But you're gonna miss this
You're gonna want this back
You're gonna wish these days
Hadn't gone by so fast These are some good times
So take a good look around
You may not know it now
But you're gonna miss this You're gonna miss this
Yeah, you're gonna miss this
