Song About Killing

Caliban

SONG ABOUT KILLING
i'm here to kill
i'm here to die
i feel this pain
i have this hate
you teach me love
you teach me fear
but now you getting it all back,
(and my reasons are just trivial...)try to run away
but belive me,to die is your fate...
REF:
this song is about killing
a loveletter just for you
lets make it right
lets make it clear
no- one wants you here!!!all i want is to kill
i want you dead
the price is too high
my life's to short
(i'm sick of hunting you)
you are my shadow
you are my demon
you have to burn for my joyi'll watch you burnso you better run,before i'll watch you burntry to run away
but belive me,to die is your fate...
REF:
this song is about killing
a loveletter just for you
lets make it right
lets make it clear
no- one wants you here!!!
