

Thief of Hearts

Tina Turner

Let me tell you about a man I knew
Yeah, I knew him all too wellHa, my attitude has always been, you can have me for tonight
But not for tomorrow
That's gonna cost you plenty yeah , more than you can afford
More than you can borrow
Well I can make them fall in love, just as easy as I
Pick their pockets hey
And when I've done the deed, I jump on a freight train
And make my getawayI'm a thief of hearts, a burglar in the night
Before they knew what hit them, I was out of sight
Been a thief of hearts, now I'm payin' for my crimes
'Cause now you're gone and stolen mineYa I met you on a starry night, full moon in your eyes
Did something strange to me
I was all prepared to spin my web, take you for a ride
But there was a fog in the street
Well I didn't mean to fall in love, didn't practice the rules
That I've been taught
You never get involved, never drop your defences
But this time I got caughtI'm a thief of hearts, a burglar in the night
Before they knew what hit them I was out of sight
Been a thief of hearts, now I'm payin' for my crimes
'Cause now you're gone and stolen mine
Thief of hearts, payin' for my crimes
A thief of hearts, and now you've gone and stolen mineFeels so good, I want more, it should be against the law,
yesI'm a thief of hearts, a burglar in the night
Before they knew what hit them I was out of sightI, thief of hearts, a burglar in the night
Before they knew what hit them I was out of sight
Been a thief of hearts, now I'm payin' for my crimes
'Cause now you're gone and stolen mine
Thief of hearts, I've been a thief of hearts
Thief of hearts
Been a thief of hearts, a burglar in the night
Before they knew what hit them I was out of sight
Been a thief of hearts, now I'm payin' for my crimes
'Cause now you're gone and stolen mine
Thief of hearts, payin' for my crimes
