

# Set the Night to Music (With Maxi Priest)

Roberta Flack

Set the night to music  
Set the night to music Look at all the stars tonight  
Look at all the moonlight  
Look at us we're all alone  
Oh and it's just like a dream  
Like some romantic fantasy  
Darling come and hold me close  
We could be making love  
And with the slightest touch  
We could Set the night to music, we could  
Set the night to music, we could  
Do what we want to do  
It'll only take me and you  
To, to set the night to music, he ye he We'll find a rhythm all our own  
Melt into it nice and slow  
Love ourselves away from here  
Your heart beating next to mine  
Perfect love in perfect time  
Watch the world, just disappear  
This moment is our to take  
And with the love we make  
We could Set the night to music, we could  
Set the night to music, we could  
Do what we want to do  
It'll only take me and you  
To set the night to music, ooh oh This moment is ours to take  
And with the love we make  
And with the slightest touch  
We could Set the night to music, we could  
Set the night to music, we could  
Do what we wanna do  
It'll only take me and you  
To, to set the night to music  
Set the night, set the night to music, to music  
(Set the night to music)  
Set the night, set the night to music, to music  
(Set the night to music)  
Set the night, set the night to music, to music  
(Set the night to music)

Making  
We could be making love  
Love  
Makin' love  
Makin' love  
And the stars  
We'll be makin' love, making, yes we could  
The skies above  
Making love
