Fight For Your Mind

Ben Harper

If you're gonna live then live it up and if you're gonna give then give it up if you're gonna walk the earth the walk it proud and if you're gonna say the word you got to way it loud

You got to fight for your mind you got to fight for your mind while you got the time you got to fight for your mind

If you're gonna build a house make it a home if you're gonna pull some weight pull your own if you're gonna help reach out your hand if you're getting up then take a stand

You got to fight for your mind you got to fight for your mind while you got the time you got to fight for your mind

If you're gonna step step on in if you're gonna finish you got to begin don't you fear what you don't know just let that be your room to grow

You got to fight for your mind you got to fight for your mind while you got the time you got to fight for your mind
