

Daddy's Back

Daddy Cool

You. . .hiding in shadowy blue
Somebody's come for you.
You're due to come alive
I . . . I'm getting you ready to fly
Tell all your friends bye bye
You're leaving here with me
You better believe
Bring it outside
Gonna go for a ride
Cause I'm back, Babe
I can see an end to Daddy's days as a rollling stone
Hold on my dear
We'll be breezing from here
Cause I'm back, Babe
Good days are here again
Your daddy's back again
Oh, oh, oh, oh
Darlin' we've finally come true
Tell em how it's just me and you
and it's near I feel it comin'
Dear let's keep it comin' on yeah, yeah
Bring it outside

Gonna go for a ride
Cause I'm back, Babe
I can see an end to Daddy's days as a rollling stone
Hold on my dear
We'll be breezing from here
Cause I'm back, Babe
Good days are here again
You're daddy's home again
Good days are here again
Your daddy's home again
Good days are here your daddy's back oh, oh, oh, oh, oh, oh, oh, oh, oh, oh,
oh, oh, oh
Hold on my dear
We'll be breezing from here
Cause I'm back, Babe
I got everything that you need

Lover stand by me
I come back, Babe
I come back, Babe
Daddy's oh yeah
I come back, Babe
Daddy's back, Babe
Daddy's back
repeat and fade.
