Love Won't Let Me Wait

Maysa

The time is right, you hold me tight
And love's got me high
Please tell me, 'yes' and don't say, 'no'
Honey, not tonight

And I need to have you next to me in more ways than one
And I refuse to leave till I see the mornin' sun
Creep through your window pane
Because love won't let me wait
Not one more minute baby

The time is right, turn down the lights
And take my hand, ooh, ooh, yeah
We'll take a flight and spend the night honey
In wonderland

Now move a little close to me, you owe it to yourself
And I will selfishly take a little for myself
And it's because of you
That love won't let me wait

And I need your love so desperately and only you can
Set me free
When I make to you, we'll explode in ecstasy
And I won't take the blame naw
Cause love won't let me wait

Oh listen boy

Love won't let me wait

My temperature's risin', ooh
(love won't let me wait) won't let me

Not another minute
(love won't let me wait) won't let me
