Kangaroo Court

Capital Cities

There's a dark part of town where the girls get down
And I cannot wait for a chance to go,
Wait for a chance to go
I got my bad luck shoes and every excuse to dance these blues away
Ain't coming home,
I ain't coming homeShut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo court
Shut up, shut up, shut up
Sit up, sit up, sit up,it's a kangaroo court
A kangaroo courtIn a dusty room I've come to assume
That I've been doomed to lose my mind tonight
Too weak to fight
So I tried to save face and I rest my case
The judge pulls me aside said c'est la vie
Let your darker side come out to feedShut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo court
Shut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo courtAll rise,
I can't do sexyI commit the crime of wasting time
Always trying to rhyme, yes I am guilty
But don't misunderstand me
I admit defeat, then I move my feet my history will never be repeated,
I won't ever be repeatedShut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo court
Shut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo courtShut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo court
Shut up, shut up, shut up
Sit up, sit up, sit up, it's a kangaroo court
A kangaroo court
