Reach In

Khingz

Can't find no rhyme to it all
But still we keep on trying
The why and where of it all
Inside you the answer is lying
Reach in
Find that tree of wisdom
Reach in
Find out why you're livin'
Reach in
Put away that shade of sin
And let love shine in
And let love shine in
Don't take the easy way out
Believe there is a Maker
Don't be a body of doubt
In whom does live a faker
Reach in
Find that tree of wisdom
Reach in
Find out why you're livin'
Reach in
Put away that shade of sin
And let love shine in
And let love shine in
A soul without love
Is a soul without meaning
And the Lord up above, yea
He'll destroy every being
Reach in, reach in, oh yea
C'mon baby
Reach in
Find that tree of wisdom
Reach in
Find out why you're livin'
Reach in, one of you, one of you, one of, one of the
Reach in into your soul
Reach in
Find that tree of wisdom
Reach in

Find out why you're livin'
Reach in, oh yea
C'mon girl now
Reach in
Reach in
Find that tree of wisdom
Reach in
Find out why you're livin'
Reach in, reach in
