Because I Love You

Badfinger

If I got down on my knees and I pleaded with you If I crossed a million oceans just to be with you Would you ever, let me down? If I climbed the highest mountain just to hold you tight If I said that I would love you every single night Would you ever, let me down? Well, I'm sorry if it sounds kinda sad It's just that I'm worried So worried that you'll let me down Because I love you, love you Love you, so don't let me down If I swam the longest river just to call your name If I said the way I feel for you would never change Would you ever, fool around? Well, I'm sorry if it sounds kinda sad It's just that I'm worried So worried that you'll let me down Because I (Love you, love you) Love you, love you Well, I'm sorry if it sounds kinda bad It's just that I'm worried Yes, I'm so worried that you'll let me down Because I love you, love you Oooh, I love you, love you, love you
