Big Bad Wolf

Fifth Harmony

Kiss for a kiss, my two lips got you racing
Baby we're guilty, wherever we are
Angel confess, let me be your salvation
I'll carry you through the darkLet me give, let me give you something to believe in
You don't gotta, you don't gotta even have a reason
(You don't even gotta, you don't even gotta have a reason)
You can love me, you can love me baby all weekend
Come on, come on over here and sink your teeth inCause if you wanna talk baby use your hands
If you wanna go make a move, you can
If you want a shot, baby cock and pull
If you're gonna bite, be a big bad wolf
If you wanna talk baby use your hands
If you wanna go make a move, you can
If you want a shot, baby cock and pull
If you're gonna bite, be a big bad wolfWhisper your secrets and mine will take over
Swing like your chariot and let me ride
Drunk off my body, you'll never be sober
I'll be your poison tonightLet me give, let me give you something to believe in
You don't gotta, you don't gotta even have a reason
(You don't even gotta, you don't even gotta have a reason)
You can love me, you can love me baby all weekend
Come on, come on over here and sink your teeth inCause if you wanna talk baby use your hands
If you wanna go make a move, you can
If you want a shot, baby cock and pull
If you're gonna bite, be a big bad wolf
Cause if you wanna talk baby use your hands
If you wanna go make a move, you can
If you want a shot, baby cock and pull
If you're gonna bite, be a big bad wolfDon't hold back back baby
Give me that baby
Come do anything you want
La-la-la-la
Don't hold back back baby
Give me that baby
I'll do anything you wantCause if you wanna talk baby use your hands
If you wanna go make a move, you can
If you want a shot, baby cock and pull
If you're gonna bite, be a big bad wolf
Cause if you wanna talk baby use your hands

If you wanna go make a move, you can
If you want a shot, baby cock and pull
If you're gonna bite, be a big bad wolf
