Shouldn't Do

Kia Harper

Heartbreaks makes a perfect song yeah the heart ache makes you sing along yeah I apogized and it was you who was wrong and still you reject me how you reject me and I know that I shouldn't have call and I know not to text at all but I still did it and I fell like I ain't shit but you'll never get away with this cause someday when I read this verse somebody's gone care and make me feel beautiful like you wouldn't
