

At the Bottom

Samiam

I've got a piece of you all that you don't like to see
I know you so well, I'm not surprised when you lie to me
I'm no good because I'm what I want to be
I'm no good because I'm what I want to be I've found another waste of time
I've found another waste of time
I'm out on a limb you would like to trim that tree
I'm out on a limb you would like to trim that tree And I'm no good because I'm what I want to be
I'm no good because I'm what I want to be
I've found another waste of time
I've found another waste of time I've found another waste of time
What you can't stand is that it is mine I'm out on a limb you would like to trim that tree
I'm out on a limb you would like to trim that tree
I'm out on a limb you would like to trim that tree
I'm out on a limb you would like to trim that tree Beats you black and blue
Beats you black and blue
Beats you black and blue
Beats you black and blue Beats you black and blue
Beats you black and blue
Beats you black and blue
Beats you black and blue
