Crazy Love

Boomkat

Does anybody know what, what they have crazy love for? (I do)
If u do raise your hands up high for me if u got crazy love
Cause I know I got a ton of it
Im gonna be a little bit specific
Im gonna break it down uno by uno,
What I got crazy love for...
So hold on tight, lets take a rideI got crazy love
For my daddy, God rest his soul
And I got crazy love
For the height that I set my goals
I got crazy love for goin' out and gettin loose
I got crazy love for break beats and drum loops
I got crazy love for rainy days, grande vanilla lattes,
And bein taryn age 22I used to be crazy in love w/someone crazy as me
Course we broke up so then I wrote the wreckoning
Well let me bring it right back to where I started fromI gotta grip of mad silly stupid wicked kind of crazy love (crazy)Im crazy (I got crazy love)Said I got crazy love (crazy)
For sleepin in and eatin out
And I got crazy love for my crew who I cant live without
I got crazy love for writin songs for when I'm down
I got crazy love for the boomkat sound.
I got crazy for my adidas and my lawyer greg ladidas
Have u see the new car that I drive around!Well u can lend it and spend it and give it away
U know it all comes back to u one day
And by the look on your face
I can see a trace of what appears to be a space in your heart
