

The Swimmer

METZ

I feel alone
I can't go back
What have I done?
I hear you out
Behind the wall
Below the sun You feel it closing in
Never gonna see you again
That's never gonna change You let me down
You let me down
You let me down
You let me down Again You feel it closing in
Never gonna see you again
That's never gonna change You let me down
You let me down
You let me down
You let me down
You let me down
You let me down
You let me down You let me down again!
