

# I've Got You Under My Skin

## Ben l'Oncle Soul

I've got you under my skin  
I've got you deep in the heart of me  
    So deep in my heart,  
That you're really a part of me  
Yes, I've got you under my skin  
    Under my skin  
    I've tried so  
    Not to give in  
I've said to myself this affair  
    Never will go so well  
    But why should I try to resist,  
When baby will I know so wellThat I've got you  
    Under my skin  
    Under my skin  
    Yes, I've got you  
    Under my skin  
    Under my skin  
I would sacrifice anything come what might  
    For the sake of having your near  
In spite of a warning voice that comes in the night  
    And repeats, repeats in my ear  
    Don't you know you fool  
    You never can win  
    Use your mentality  
    Wake up to reality  
But each time I do just the thought of you  
    Makes me stop just before I begin  
    Because I've got you  
    Under my skin  
    Under my skin  
    Yes I've got you  
    Under my skin  
    Under my skin
