Down At the Bay

Tom Skelly

Let the waves come crashing down on you.
Feel the rain getting under your skin.
Now the smoke on the water smothering your lungs, smothering your lungs.

Don't look through these eyes of mine.
'Cause you won't sleep at night.

Now there's no turning back running away from your fears.
No you can't hide there from the eyes of your peers.
With the frowning faces swallowing their tongues, swallowing their tongues.

Don't look through these eyes of mine.
'Cause you won't sleep at night.

Feel the breeze from your sinking head.
But you don't wanna breathe 'cause you're better off dead.
With the thoughts and feelings running through your mind, running through your mind, running through your mind.

Don't look through these eyes of mine.
'Cause you won't sleep at night.

Oh, oh, oh, oh
Oh, oh, oh

Look at trees swaying as they ache.
Feeding from the floor just for some light.
This is what happens down at the bay, down at the bay, down at the bay, down at the... Down at the bay.

Don't look through these eyes of mine.
'Cause you won't sleep at night.

Oh, oh, oh, oh
Oh, oh, oh, oh
Oh, oh
