

Chasing Rainbows

No Use for a Name

Advisory - the following lyrics contain explicit language:

Just heard the news today let yourself down once again trusted your feelings in a place that no one goes will you do anything to satisfy your so called friends there's something you ought to know before you explode all I want to do is make sure you stop chasing rainbows trusting those around you isn't easy thing to do I'm not saying don't believe some one you don't know just don't go on thinking the whole world tells the truth its all fucked up being reserved and quiet she doesn't understand the message that you say don't give it all away some were some times and some one who cant replace that state of mind you never give it time all I want to do is make sure you stop chasing rainbows letting every body crawl inside your heart and mind kicking you is easy when your down that's where the week go to release there anger on some one who will try to stand up and give them a fight
