Bloodbath In Paradise

Ozzy Osbourne

You're comin' home, there's blood on the walls
When Charlie and the family made house calls
If you're alone then watch what you do
'Cause Charlie and the family might get you, yeah
Can you hear them in the darkness?
Helter skelter, spiral madness, yeah
Bloodbath in paradise, but there's no where you can run to baby
Bloodbath in paradise, forever sleep in paradise
California sun, but you're still in bed
And the California rain is turning red
No sign of life or the keepers of doom
In Charlie and the keeper's scarlet room, yeah

Can you hear them in the darkness?
Helter skelter, spiral madness, yeah
Bloodbath in paradise, but there's no where you can run to baby
Bloodbath in paradise, forever sleep in paradise
They'll summon you to wake from the dead
As you lie bleeding, murdered in your bed
The sweetest dreams are all in your mind
But no one wakes when Charlie creeps behind, yeah
Execution halts your breath
Helter skelter, spiral death, yeah
Bloodbath in paradise, but there's no where you break out baby
Bloodbath in paradise, forever sleep in paradise
