

One Kiss

Calvin Harris, Dua Lipa

One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need Let me take the night, I love real easy
And I know that you'll still wanna see me
On the Sunday morning, music real loud
Let me love you while the moon is still out Something in you
Lit up heaven in me
The feeling won't let me sleep
'Cause I'm lost in the way you move, the way you feel One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need One
One
Darling
One
One
Darling I just want to feel your skin on mine
Feel your eyes do the exploring
Passion in the message when you smile
Take my time It's something in you
Lit up heaven in me
The feeling won't let me sleep
'Cause I'm lost in the way you move, the way you feel
One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need One kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you need One
One
Darling
One
One

DarlingSee wonderland in your eyes
Might need your company tonightSomething in you
Lit up heaven in me
The feeling won't let me sleep
'Cause I'm lost in the way you move, the way you feelOne kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you needOne kiss is all it takes
Fallin' in love with me
Possibilities
I look like all you needOne
