

# Why Don't You Love Me

Hot Chelle Rae

See I cant wake up, I'm living a nightmare  
that keeps playing over again  
locked in a room, so hung up on you  
and you're cool with just being friends  
Left on the sidelines, stuck at a red light  
waiting for my time, and I can't see  
Why don't you love me, touch me  
Tell me I'm your everything  
the air you breathe, and  
Why don't you love me, baby  
open up your heart tonight  
cause I could be all that you need  
(Ohhh)  
Why don't you love me?  
Why don't you love me? See I'm just too scared, to tell you the truth  
cause my heart can't take any more  
broken and bruised, longing for you  
and I don't know what I'm waiting for you  
Left on the sidelines, stuck at a red light  
waiting for my time, so just tell me  
Why don't you love me, touch me  
Tell me I'm your everything  
the air you breathe, and  
Why don't you love me, baby  
open up your heart tonight  
cause I could be all that you need  
(Ohhh)  
Why don't you give me a reason (give me a reason)  
please tell me the truth (please tell me the truth)  
you know that I'll keep believing ( I'll keep believing)  
until I'm with you  
Why don't you love me, kiss me  
I can feel your heart tonight  
it's killing me  
So why don't you love me, touch me  
Tell me I'm your everything  
the air you breathe, and  
Why don't you love me, baby  
open up your heart tonight  
cause I could be all that you need  
(Ohhh)  
Why don't you love me?  
Why don't you love me?  
Why don't you love me?

Why don't you love me?  
Why don't you love me?
