Too Fast For A U-turn

[Lit](#)

I've got a problem
I've got a big one
I've got my bloodshot eyes on you
I've got the answer
I've got solutions
I want another shot and I want you
Oh no, I know I should go
But it feels so good now
I've gotta get to you
I've gotta get to you
I've gotta get to you
I've got my vices
Know what the price is
It ain't right but it's alright now
I've got a problem
Hey, what's your problem?
Let's keep it up 'til we both come back down
Oh yeah, I know it's so bad
But it feels so good now
I've gotta get to you
I've gotta get to you
I've gotta get to you
Going too fast for a U-turn
Much too fast for a U-turn
Oh no, I know, I should go
But it feels so good now
I've gotta get to you
I've gotta get to you
I've gotta get to you
I've gotta get to you
I've gotta get to you
I've gotta get to you
I've gotta get to you
