

Every Christian Lion Hearted Man Will Show You

Goon Moon

Oh solo Dominique

Oh solo Dominique

Oh solo Dominique

Oh solo Dominique

Take this in hand

Said he who stands

Behind the chair

A broken table there

Every Christian lion hearted man will show you

Every Christian lion hearted man will show you

Oh solo Dominique

Oh solo Dominique

Oh solo Dominique

Oh solo Dominique

Don't walk so tall

Before you crawl

For every child

Is thinking of something wild

Every Christian lion hearted man will show you

Every Christian lion hearted man will show you

Oh solo Dominique

Oh solo Dominique

Oh solo Dominique

Every Christian lion hearted man will show you

Every Christian lion hearted man will show you

(Every Christian lion hearted man will show you)

Oh solo Dominique

Oh solo Dominique

Oh solo Dominique
