

# Acapella (Breno Barreto Remix)

Kelis

I was walking, was living  
My melody was acapella  
There's a beat I was missing  
No tune, or a scale, I could play  
The sound in the distance  
No orchestra playing together  
Like a boat out to sea,  
The silence was too deafening  
So come and revive me  
I can't feel my heartbeat  
It's just me surviving alone  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Everything was the same  
One color was just like the others  
An assembly routine  
My memories were all black and white  
Till I stopped over thinking  
Decided to draw back the curtains  
And I cleared all the cobwebs  
And began to let in the light  
So come and revive me  
I can't feel my heartbeat  
It's just me surviving alone  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
You are the drum in my heart beat  
Bass and guitar lead  
Stuck on the notes you play  
My heart that you play on  
Red like a crayon  
I can't walk away  
You are the drum in my heart beat  
Bass and guitar lead  
Stuck on the notes you play

My heart that you play on  
Red like a crayon  
I can't walk away You are the drum in my heart beat  
Bass and guitar lead  
Stuck on the notes you play  
My heart that you play on  
Red like a crayon  
I can't walk away Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing  
Before you,  
My whole life was acapella  
Now a symphony's  
The only song to sing
