

Give It Back

Dickies

(phillips, lee, huffsteter)One day I was walking to school
I saw these bullies and
They thought they were cool
They put me down and they pushed me around
They stole my books and they called me a clownGive it back
Baaaacckk
Give it back
You better give it backI went to school
Yeah I went anyway
I said I'd show them another day
I showed them all what I could do
I got us thrown right out of schoolI got em back
Baaack
Yeah I got em back
You know I got em back
Ba ba ba back(break)That night I was walking home
And when they caught me I was all alone
A bloody nose and a broken bone
I thought those brats were going to leave me alone
