

Get You Wet

Plies

Bet if I suck on that pussy, bet that'll get you wet
An' rub my hand on that clit, bet that'll get you wet
And rub my tongue down you neck, bet that'll get you wet
Bet if I suck on them titties, bet that'll get you wet
Bet if I suck on that pussy, bet that'll get you wet
An' rub my hand on that clit, bet that'll get you wet
And rub my tongue down you neck, bet that'll get you wet
Bet if I suck on them titties, bet that'll get you wet

'Coz all I wanna do is 'coz all I wanna do is
Don't wanna fuck up you panties, you better take 'em off
Finna play wit that pussy 'til I get you off
I can't fuck you when you dry 'coz that'll turn me off
If I can smell it then, baby, I don't put it in my mouth
I wanna suck on them titties 'coz they look soft
Do me a favor an' keep you legs uncrossed
So, I can lay on you, dick out, boxers off, got you bitin' on you lip
'Cause you can't talk and after I give you this dick
I bet I'll change you walk an' I'ma play wit you clique
Want you to pull it out, get you wet first then fuck you to a coma
Long as you pussy stay wet, I can fuck you how I wanna
Bet if I suck on that pussy, bet that'll get you wet
An' rub my hand on that clit, bet that'll get you wet
And rub my tongue down you neck, bet that'll get you wet
Bet if I suck on them titties, bet that'll get you wet
Bet if I suck on that pussy, bet that'll get you wet

Had to throw away my sheets 'coz she left a puddle
Wet pussy wit no smell a motherfucker
Pussy so wet, feel like she pissed on her self
Pussy already drippin', she ain't need my help
Gotta fuck her on the floor, she leek everywhere
You can nut and go to sleep, I don't even care
A street nigga, wet pussy good for his health
Bet if I suck on that pussy, bet that'll get you wet
An' rub my hand on that clit, bet that'll get you wet
And rub my tongue down you neck, bet that'll get you wet
Bet if I suck on them titties, bet that'll get you wet
Bet if I suck on that pussy, bet that'll get you wet
An' rub my hand on that clit, bet that'll get you wet
And rub my tongue down you neck, bet that'll get you wet
