

She's a Screamer

Rhino Bucket

There's a sign
On the side of the road tonight
Speed limit>
I never seem to get it quite right
There's a girl
Her curves are loosely tight
Top heavy
I never seem to get it all night
She's a screamer
Lock the door 'cause the neighbor's uptight
She's a screamer
Don't let go cause you never do know
There was a time
I could have said the girl was mine
Things change
She was busy tryin' to make the stage
I hit the road
Swore I'd never make it back
I came alone
Called her name and I hit the sack
Pin up knock down
Main attraction
A two punch nuclear
Chain reaction
She's a screamer
Lock the door 'cause the neighbor's uptight
She's a screamer
Don't let go cause you never do know
She's a screamer
She's a screamer
She's a screamer
She's a screamer
Pin up knock down
Main attraction
A two punch nuclear
Chain reaction
Solo
There was a time
She was a screamer

It ain't no lie
She was a screamer
There's a sign
On the side of the road tonight
Speed limit
I never seem to get it quite right
She's a screamer
She's a screamer
She's a screamer
She's a screamer
Scream on this
