Lacuna Coil

Ill be there when theres nothing left
Night and day holding you
Harmony deep inside your soul
Meet me thereCan you feel me?
Deep insideTheres no time to deny that Ill need you
And Ill be there to inhale your delightful day
Theres no time to deny, I will need you
Thats why Ill be there to relieve your painful dayHiding well where the pain is real
Night and day growing in you
Anger is poison in your veins
Meet me thereCan you feel me?
Deep insideTheres no time to deny that Ill need you
And Ill be there to inhale your delightful day
Theres no time to deny, I will need you
Thats why Ill be there to relieve your painful dayDeep insideTheres no time to deny that Ill need you
And Ill be there to inhale your delightful day
Theres no time to deny, I will need you
Thats why Ill be there to relieve your painful day
