

4EVER!

Lany

We met last summer
Found my way to you
Gave me your number
To see if I'd come through.
Got out the city
Are we headed for the woods
Don't know what happened
But ever since been (hurt)
Baby I just love the way you love me
You got me dancing... through half the night
Baby would you stay a while and maybe
Forever apart
You send me letters
Oh they smell like your perfume
And when I read them, I swear you're in the room
Baby I just love the way you love me
You got me dancing... through half the night
Baby would you stay a while and maybe
Forever apart
Baby I just love the way you love me
The classic kind that's filmed in black and white
Baby have you thought at all 'bout maybe
Huh, 4 ever alright
Baby I just love the way you love me
You got me dancing... through half the night
Baby would you stay a while and maybe
Forever apart
Ooh
Ah yeah
Come on
Alright
Ooh
